

Apply for a Service or Facility Dog

Brigadoon
SERVICE DOGS

The admissions process is multi-tiered. At the completion of each step, the applicant will be notified as to whether or not they are invited to progress to the next one.

The admissions process usually takes 2–8 months, depending on how quickly we receive required documents and can schedule interviews. While we aim to place dogs within two years, wait times can vary based on making the best possible dog-to-handler match.
